APPROVALS, QUALIFICATIONS & ACCREDITATIONS

AIM | American Institute Of Management And Science University Group

owns and operates AIM University Group, American International College Of Management And Science and Future Doctors STEM Academy (offering pre-medical courses to progress to study Medicine, Veterinary Medicine, Dentistry And Biomedicine; and engineering courses).

Our modern higher education programs are backed by the quality and reputation of BTEC – UK's largest examination board. The degree top-up may be done at the University Of Northampton - a top 50 UK University in its brand new £330 million state-of-the-art campus in England.

AIM is offering you the unique opportunity to complete your degree in little as 24-36 months. Our Students benefit from flexible online, distance-learning and face-2-face classes; experienced and caring faculty; integrated learning environment; college credits for your work experience; and qualifications from two world-leading higher education bodies:

The Business and Technology Education Council (BTEC)

You'll earn BTEC's Higher Nationals at AIM University Group in the first 16-24 months on the degree journey, and the bachelor's degree in little as eight (8) more months (which is ONE college year). BTECs are the fastest and most affordable way to earn an undergraduate and postgraduate diploma then advancing to final year/s for the bachelor's and master's degrees. The Professional Diploma and Master's Degree may be completed in 24 Months. Our BTEC courses are specialized in your areas of interest and are globally recognized and affordable.

University Of Northampton

Our Learners can top-up the bachelor's and master's degree at Northampton. The University of Northampton is a government-funded public university located in the heart of England and within 90 minutes of Leicester Square in central London. It is within easy travelling distance of major centres such as Birmingham, Luton, Milton Keynes, and Leicester. The University of Northampton has around 15,000 students and is home to over 2000 international students from over 100 countries. Northampton offers 100+ courses in more than 50 different areas, and the prestigious ranking agencies of the world have ranked the University of Northampton amongst the top Universities in the UK continuously.

Students at AIM University Group earn BTEC and can top-up the degree in just eight months at the University Of Northampton. Our university courses are designed with the study abroad options and they are offered in-class, online, and distance learning

AIM receives referral fees from Northampton for students who progress to study in England or distance learning with the University. AIM is acting as a recruiter for Northampton and not the admission agent.

What sets AIMS University Group apart:

- **Speed** in which you can earn the degree – in record 24 months. When you enter AIM University Group, you're positioned for two globally recognized qualifications: your BTEC diploma in a few months and the bachelor's degree top-ups at the University Of Northampton in just eight more months.
- **Flexibility** to attend face-2-face classes, 100% online, or distance learning from anywhere you live.
- **The Study-Abroad opportunity** Live, work and study overseas for two years while visiting new and exotic places, immersing in new cultures, and meeting new people.
- **Quality of the awards:** BTEC is the largest UK Examination Board, with over 8 million learners in 45 countries, and the University Of Northampton is a top 50 University in the United Kingdom.
- **Opportunity for better income** You can aspire for management when you enter the workforce with this world-class British Degree from a top university.
- **Inexpensive degree routes** Flexible Payments plans are available and with options as low as \$250 to get started.
